MEMORANDUM FOR: [redacted] Chairman  
Investigative Standards Working Group

FROM: Robert W. Gambino  
Chairman

SUBJECT: Tasking, Investigative Standards  
Working Group

1. At the April 1979 Security Committee meeting, an item of new business was raised which I want your Working Group to study and prepare a report on. This is the effectiveness of reinvestigation programs within the Community.

2. As further tasking for your Working Group, the two-day March 1979 Security Committee conference arrived at a statement of a position regarding the disparity of investigative standards among Departments and Agencies. I am enclosing, for your information, the conference notes of the "work group 3", which discussed this matter. Further, I will have [redacted] of the Security Committee Staff contact you in the near future regarding the origins of study and he can assist your Working Group in this task.
